RE: Permit Parking at Danforth Avenue and Dawes Road

Dear Chair and Members of the Toronto and East York Community Council,

The purpose of this motion is to request that Transportation Services review and report back on the removal of new buildings approved by the Ontario Land Tribunal from permit parking area 9A.

The removal of mandatory minimum parking requirements for new developments in 2021 was a positive step forward in achieving both housing affordability and environmental sustainability. However, it was recognized that on-street permit parking should not be used to accommodate on-site deficiencies in parking supply in response to these new parking requirements.

Recommendation:

1. City Council direct the General Manager, Transportation Services, to review and report back to Toronto and East York Community Council on the realignment of Permit Parking Area “9A” to exclude developments located at the following addresses:
 - a. 6 Dawes Road,
 - b. 9-25 Dawes Road, and
 - c. 10-30 Dawes Road.

Thank you for your consideration.

Respectfully,

Brad Bradford

Toronto City Councillor
