Toronto and East York Community Council  
City Hall, Committee Room 1  
100 Queen Street West  
Toronto ON M5H 2N2

Dear Committee Members,

**RE: Implementation of a Commercial Loading Zone - Front Street East, West of Market Street**

I am writing to request that Toronto and East York Community Council implement a commercial loading zone on the south side of Front Street East between a point 10.5 metres west of Market Street and a point 11 metres further west. This will result in the removal of two parking spaces, for which I wish to waive all fees and loss of revenue.

As we work towards the permanent closure of Market Street, this loading zone will service the businesses who operate along and near the street. The loading zone will ensure that Market Street can be animated without any impacts to business operations.

**RECOMMENDATIONS:**

It is recommended that:

1. Toronto and East York Community Council amend the existing parking machine regulation in effect from 8:00 a.m. to 9:00 p.m., Monday to Saturday and from 1:00 p.m. to 9:00 p.m., Sunday, at a rate of \$5.25 per hour and for a maximum period of three hours, on the south side of Front Street East, between Farquhars Lane and Market Street, to be in effect between Farquhars Lane and a point 21.5 metres west of Market Street.
2. Toronto and East York Community Council designate a commercial loading zone to be in effect at all times, on the south side of Front Street East, between a point 10.5 metres west of Market Street and a point 11 metres further west.

Respectfully submitted,

Chris Moise  
City Councillor  
Ward 13 - Toronto Centre
