From: Director, Permits and Enforcement, Transportation Services
Wards: Ward 11 - University-Rosedale

SUMMARY

As the Toronto Transit Commission (TTC) operates a transit service on Bathurst Street, City Council approval of this report is required.

The purpose of this report is to respond to City Council 's direction to review and report back on the realignment of Permit Parking Area 5A to exclude the development located at 914 Bathurst Street.

Staff have determined the realignment of the Permit Parking Area 5A is feasible and has no objections to excluding the development located at 914 Bathurst Street. If City Council excludes this address from the subject Permit Parking Area, residents and visitors of this address will be prohibited from participating in the on-street permit parking program.

COMMENTS

Transportation Services received a request from City Council to realign Permit Parking Area 5A, to exclude the development located at 914 Bathurst Street.

Permit Parking Area 5A is bounded by Christie Street to the west, Bathurst Street to the east, Bloor Street West to the south, and Hammond Place to the north. Area 5A has 1049 on-street parking spaces. To date, 852 permits have been issued. This area does not have a history of being waitlisted, meaning the demand for overnight on-street parking permits has never exceeded the supply of parking spaces.

A map of Permit Parking Area 5A is included in Attachment 1.

Allowing residents, guests, tradespeople, and caregivers of this development to purchase a parking permit will negatively impact the already limited parking supply in the neighbourhood. Excluding the development located at 914 Bathurst Street from the permit parking program will ensure that sufficient on-street capacity is available to current permit holders.

A Public Notice was placed on the City's website requesting those objecting to the exclusion of 914 Bathurst Street from permit parking in Permit Parking Area 5A forward their objections in writing to the City Clerk, so they may be scheduled as deputations at the Toronto and East York Community Council meeting.

Transportation Services has no objections to the exclusion of 914 Bathurst Street from Permit Parking Area 5A.

The Ward Councillor has been advised of the recommendation in this report.
