RE: Install Traffic Calming Measures to Improve Safety along Heathdale Road

Dear Chair and Members of Toronto and East York Community Council,

I am writing to request your support in directing Traffic Operations to install traffic calming measures along Heathdale Road between Raglan Avenue and Humewood Drive.

There has been sustained community concern dating back to 2022 over vehicles speeding throughout this residential street, with documented crashes occurring since the community's initial request for traffic calming. With the installation of speed humps throughout this street, I am confident that this measure will help to slow down drivers along Heathdale Road.

RECOMMENDATIONS:

It is recommended that:

1. Toronto and East York Community Council authorize the installation of traffic calming (speed humps) on Heathdale Road, between Raglan Avenue and Humewood Drive.
2. Toronto and East York Community Council direct the City Solicitor to prepare a by-law to alter the roadway on Heathdale Road, between Raglan Avenue and Humewood Drive, to install eight speed humps, generally as shown on the attached 'Drawing Nos TC-308 and TC-309' dated June 2024 from the Director, Traffic Management, Transportation Services.

Sincerely,

Councillor Josh Matlow
City Councillor
