Re: Parking Amendments - Stafford Street

Dear Chair and Committee Members,

Residents of Stafford Street have expressed challenges with parking on their street. The east side of Stafford has numerous driveways and very little space available for parking, with motorists forced to squeeze between existing driveways, in some cases blocking access/egress. There are no driveways on the west side and the proposed change would add 7 additional parking spaces. Switching parking to the west side would help solve these issues.

RECOMMENDATIONS:

It is recommended that:

1. Toronto and East York Community Council rescind the existing parking prohibition in effect at all times on the west side of Stafford Street, between King Street West and Richmond Street West.
2. Toronto and East York Community Council rescind the existing maximum one-hour parking regulation in effect from 10:00 a.m. to 6:00 p.m., on the east side of Stafford Street, between Richmond Street West and King Street West.
3. Toronto and East York Community Council rescind the existing parking by permit only in effect from 12:01 a.m. to 10:00 a.m. daily on the odd (east) side of Stafford Street, from King Street West to Richmond Street West.
4. Toronto and East York Community Council prohibit parking at all times on the east side of Stafford Street, between Richmond Street West and Adelaide Street West.
5. Toronto and East York Community Council authorize parking for a maximum period of one-hour from 10:00 a.m. to 6:00 p.m., on the west side of Stafford Street, between Richmond Street West and Adelaide Street West.
6. Toronto and East York Community Council authorize parking for a maximum period of one-hour from 10:00 a.m. to 6:00 p.m., on the east side of Stafford Street, between Adelaide Street West and King Street West.
