RE: No Stopping – Lisgar Street near Dundas Street West

Dear Chair and Members of Toronto and East York Community Council,

A local business located near Dundas Street West and Lisgar Street contacted my office to share challenges with accessing their valid boulevard parking. Vehicles often park in front of the openings and exits of their boulevard parking spaces, resulting in delays for clients and disruptions for parked delivery vehicles.

Following an investigation by Transportation Services, it was determined that the existing no parking prohibition along the boulevard parking space can be converted to a no stopping to better prevent vehicles from blocking access. This change would maintain the existing permit parking spaces between the opening and exit of the boulevard.

RECOMMENDATIONS

It is recommended that:

1. Toronto and East York Community Council rescind the parking prohibition in effect at all times on the west side of Lisgar Street, between Dundas Street West and a point 15 metres south.
2. Toronto and East York Community Council prohibit stopping at all times on the west side of Lisgar Street, between Dundas Street West and a point 23 metres south.
3. Toronto and East York Community Council prohibit stopping at all times on the west side of Lisgar Street, between a point 33 metres south of Dundas Street West and a point 6 metres further south.

Sincerely,

Alejandra Bravo
City Councillor
