RE: Loading Zone – Huron Street Junior Public School

Dear Toronto and East York Community Council members:

Parents at Huron Junior Public School have informed me that they are frequently ticketed while dropping off their children at school, because the existing school drop-off zone cannot accommodate the volume of families and does not provide sufficient time for drop-offs to take place for younger children who must be walked to class. With the support of the Annex Residents Association, this motion will lengthen the drop-off zone by two spaces, increase the time limit for drop-offs from ten minutes to twenty minutes, and clarify an existing, confusing overlap between permit parking hours and the drop-off zone. It will also clarify where school buses may load and unload.
