### **Proposed traffic by-law changes in Forest Hill Village**

Dear Chair and Members of Toronto and East York Community Council,

I am writing to respectfully request your support for the proposed traffic by-law changes in the Forest Hill Village. This motion is a continuation of an already passed item, TE10.61, from January 2024's Toronto-East York Community Council. TE10.61 relates to the Forest Hill Village BIA (FHV BIA) undertaking a streetscape redesign that required traffic by-law changes. While much of the necessary traffic by-law changes were implemented in the initial motion, certain physical streetscape alterations were not complete during the motion's passage.

Now that such physical streetscape installations are complete, this motion will ensure that the proper traffic by-law signage will correspond to the FHV BIA's new streetscape.

Transportation Services Staff have recommended the follow traffic by-law changes:
