RE: Parking Amendments – Dovercourt Road

Dear Chair and Members of Toronto and East York Community Council,

Transportation Services and Toronto Police Service have advised that there is a need to amend the existing no standing anytime prohibition on the west side of Dovercourt Road, just north of Dundas Street West. Parked vehicles in this no standing area near the driveway at the 14 Division station have created sightline issues and near collisions with exiting emergency vehicles.

Transportation Services has recommended replacing the no standing anytime prohibition with a no stopping anytime prohibition to improve safety.

RECOMMENDATIONS

It is recommended that:

1. Toronto and East York Community Council rescind the existing no standing regulation, in effect at all times, on the west side of Dovercourt Road, between a point 123.5 metres north of Dundas Street West and a point 28.5 metres further north.
2. Toronto and East York Community Council prohibit stopping, in effect at all times, on the west side of Dovercourt Road, between a point 123.5 metres north of Dundas Street West and a point 28.5 metres further north.

Sincerely,

Alejandra Bravo
