Toronto and East York Community Council
City Hall, Committee Room 1
100 Queen Street West
Toronto ON M5H 2N2

Dear Committee Members,

Re: Parking Amendments – St. Joseph Street

I am writing to request parking amendments to St. Joseph Street to help facilitate a passenger pick-up/drop-off zone and a commercial loading zone on St. Joseph Street west of Yonge Street.

The Bay Cloverhill Community Association has raised concerns brought by local residents about difficulties facilitating deliveries, ride-share and other vehicles for buildings near Yonge Street and St. Joseph Street. Vehicles are often parking or standing in No Parking zones, blocking parking garages and sometimes double parking on both sides of the street.

A proper passenger pick-up/drop off zone as well as a commercial loading zone would help provide a pick-up drop-off zone for vehicles and help manage traffic in the area.

RECOMMENDATION

It is recommended that:

1. Toronto and East York Community Council rescind the existing parking machine regulation in effect from 8:00 a.m. to 9:00 p.m., Monday to Saturday and from 1:00 p.m. to 9:00 p.m. Sunday, at a rate of \$5.25 per hour and for a maximum period of three hours, on the south side of St. Joseph Street, between Bay Street and Yonge Street.
2. Toronto and East York Community Council authorize the installation of parking machines on the south side of St. Joseph Street, between Bay Street and a point 11 metres west of St. Nicholas Street, to be in effect from 8:00 a.m. to 9:00 p.m., Monday to Saturday and from 1:00 p.m. to 9:00 p.m. Sunday, at a rate of \$5.25 per hour and for a maximum period of three hours.

3. Toronto and East York Community Council authorize the installation of parking machines on the south side of St. Joseph Street, between a point 6.5 metres east of St. Nicholas Street and Yonge Street, to be in effect from 8:00 a.m. to 9:00 p.m., Monday to Saturday and from 1:00 p.m. to 9:00 p.m. Sunday, at a rate of \$5.25 per hour and for a maximum period of three hours.
4. Toronto and East York Community Council designate a commercial loading zone to be in effect at all times on the south side of St. Joseph Street, between St. Nicholas Street and a point 11 metres west.
5. Toronto and East York Community Council prohibit standing at all times on the south side of St. Joseph Street, between St. Nicholas Street and a point 6.5 metres east.
