Dear Chair and Members,

**Re: Kingston Road and Columbine Avenue – Traffic Control Signals**

**BACKGROUND:**

My office has heard concerns from residents in the Beach Triangle neighborhood about the lack of safe pedestrian crossings along Kingston Road, a major arterial route. Following a successful community petition showing strong support, I am recommending the installation of traffic control signals at Kingston Road and Columbine Avenue. This measure will significantly improve pedestrian safety and ensure safer, more accessible travel for all.

**RECOMMENDATION:**

It is recommended that:

1. City Council authorize the installation of traffic control signals at the intersection of Kingston Road and Columbine Avenue.

Respectfully,

**Brad Bradford**
