Dear Chair and Members,

**Re: Parking Amendments – Nursewood Road**

**BACKGROUND:**

My office and Transportation Services staff met with residents on Nursewood Road to discuss some of the unique challenges they encounter each summer on their street. The main issues they are experiencing are congestion, double parking, and blocked driveways during the busy summer months. To remedy these issues, it is recommended that:

**RECOMMENDATION:**

**It is recommended that:**

1. Toronto and East York Community Council rescind the existing parking prohibition in effect at all times on the west side of Nursewood Road, between Queen Street East and the south end of Nursewood Road.
2. Toronto and East York Community Council prohibit stopping at all times on the west side of Nursewood Road, between Queen Street East and the south end of Nursewood Road.
3. Toronto and East York Community Council prohibit stopping at all times on the east side of Nursewood Road, between a point 235 metres south of Queen Street East and the south end of Nursewood Road.
4. Toronto and East York Community Council prohibit stopping at all times within the cul-de-sac area at the south terminus of Nursewood Road.
5. Toronto and East York Community Council amend the existing permit parking regulation in effect from 12:01 a.m. to 7:00 a.m. daily on the odd (east) side of Nursewood Road, from 240.8 metres south of Queen Street East to Queen Street East, to be in effect from 235 metres south of Queen Street East to Queen Street East.
