Dear Chair and Members,

**Re: Traffic Calming – Queensdale Avenue between Coxwell Avenue and Woodington Avenue**

**BACKGROUND:**

My office heard from residents on Queensdale Avenue, between Coxwell Ave and Woodington Ave, regarding concerns about road safety in the community. Residents noted that vehicles travel at high rates of speed along Queensdale Ave and after a successful community petition, I recommend the following:

**RECOMMENDATION:**

It is recommended that:

1. Toronto and East York Community Council authorize the installation of traffic calming (speed humps) on Queensdale Avenue between Coxwell Avenue and Woodington Avenue.
2. Toronto and East York Community Council direct the City Solicitor to prepare a by-law to alter the roadway to install three speed humps on Queensdale Avenue between Coxwell Avenue and Woodington Avenue, generally as shown on the attached Drawing No. TC-371, dated October 2024 from the Director, Traffic Management, Transportation Services.

Respectfully,

**Brad Bradford**

Toronto City Councillor
