Re: Loading Zone on Wellington Street West

Dear Toronto and East York Community Council members:

SUMMARY

On Wellington Street West between Bathurst Street and Tecumseth Street, a loading zone is required to permit pick-up/drop-off activities in a manner that does not block the single lane of westbound traffic. This reserved space will also help to alleviate traffic back-up during solid waste collection. In addition, the rescinding of the No Standing on the north side of Wellington Street West between a point 42 metres west of Bathurst and a point 27 metres further west will simplify the signage where a designated loading zone and accompanying signage already exist.

RECOMMENDATIONS:

It is recommended that:

1. Toronto and East York Community Council enact a standing prohibition in effect at all times on the north side of Wellington Street West, between a point 100 metres west of Bathurst Street and a point 25 metres further west.
2. Toronto and East York Community Council rescind the existing standing prohibition in effect at all times on the north side of Wellington Street West, between a point 42 metres west of Bathurst Street and a point 27 metres further west.

Sincerely,

Ausma Malik
Deputy Mayor
City Councillor, Ward 10, Spadina-Fort York
