Toronto, Ontario M4C 1J9

October 22, 2024

Dear Chair and Members,

Re: Traffic Calming – Norway Avenue between Lee Avenue and Elmer Avenue

BACKGROUND:

My office heard from residents on Norway Ave (between Lee Ave and Elmer Ave) about a collision between a speeding vehicle and a cyclist. The community requested a petition to determine if there was enough support to install speed humps to prevent an incident like this from happening again.

RECOMMENDATION:

It is recommended that:

1. Toronto and East York Community Council authorize the installation of traffic calming (speed humps) on Norway Avenue between Lee Avenue and Elmer Avenue.
2. Toronto and East York Community Council direct the City Solicitor to prepare a by-law to alter the roadway to install six speed humps on Norway Avenue between Lee Avenue and Elmer Avenue, generally as shown on the attached Drawing No. TC-373, TC-374, dated October 2024 from the Director, Traffic Management, Transportation Services.

Respectfully,

Brad Bradford

Toronto City Councillor
Beaches-East York | Ward 19
