Re: Turn Prohibitions – Driveway servicing the Metro Toronto Convention Centre located at the intersection of Front Street West and John Street

Dear Toronto and East York Community Council members:

SUMMARY

Transportation Services is requesting approval from Toronto and East York Community Council to prohibit the following movements to the underground parking garage that services the Metro Toronto Convention Centre located at the intersection of Front Street West and John Street:

- eastbound right turns at all times;
- westbound left-turns at all times; and
- southbound straight through movements at all times.

During an investigation, Transportation Services staff determined that these existing turn prohibitions are not by-lawed, and the recommendation noted below addresses this matter.

RECOMMENDATIONS:

It is recommended that:

1. Toronto and East York Community Council prohibit eastbound right-turns at all times to the underground driveway that services the Metro Toronto Convention Centre located at the intersection of Front Street West and John Street.
2. Toronto and East York Community Council prohibit westbound left-turns at all times to the underground driveway that services the Metro Toronto Convention Centre located at the intersection of Front Street West and John Street.

Ausma Malik

Deputy Mayor & City Councillor for Ward 10, Spadina-Fort York

3. Toronto and East York Community Council prohibit southbound through movements at all times to the underground driveway that services the Metro Toronto Convention Centre located at the intersection of Front Street West and John Street.

Sincerely,

Ausma Malik
Deputy Mayor
City Councillor, Ward 10, Spadina-Fort York
