Toronto, ON M5H 2N2

Re: Additional Speed Hump – Victor Avenue

Dear Councillor Moise and Toronto and East York Community Council,

Residents of Victor Avenue have reached out to my office regarding speeding concerns on Victor Avenue. Polling returned with 69% support for the initial installation for 6 speed humps in 2015. There are existing speed humps between Broadview Avenue and Carlaw Avenue. Residents have noted a significant distance and need for an additional speed hump between Broadview Avenue and Howland Road.

Recommendations:

1. Toronto and East York Community Council authorize the installation of traffic calming (speed humps) on Victor Avenue between Broadview Avenue and Howland Road.
2. Toronto and East York Community Council direct the City Solicitor to prepare a by-law to alter the roadway to install one (1) additional speed hump on Victor Avenue between Broadview Avenue and Howland Road, generally as shown on Drawing No. TC-409, dated November 2024, attached to the motion entitled "Traffic Calming – Victor Avenue between Broadview Avenue and Howland Road".

Sincerely,

Paula Fletcher
City Councillor
Ward 14, Toronto-Danforth
