RE: Delaware Avenue North – Parking Amendments

Dear Chair and Members of Toronto and East York Community Council,

During an investigation to install pavement markings, Transportation Services discovered a discrepancy in the distance for an on-street accessible loading zone on Delaware Avenue North. The wording in the by-law incorrectly set an accessible loading zone on a different section of the street, separate from where the current signage and poles are installed.

The below amendments to the parking regulations on Delaware Avenue North are required to maintain use of the existing accessible loading zone for residents and visitors on the street.

RECOMMENDATIONS

It is recommended that:

1. Toronto and East York Community Council rescind the existing accessible loading zone in effect from 10:00 a.m. to 5:00 p.m., daily, on the west side of Delaware Avenue North, between a point 63 metres south of Davenport Road and a point 18.5 metres further south.
2. Toronto and East York Community Council rescind the existing permit parking regulation in effect from 12:01 a.m. to 7:00 a.m., daily, except no parking from a point 117 metres south of Davenport Road to a point 7 metres further south on the even (west) side of Delaware Avenue from the first lane north of Geary Avenue to Davenport Road.
3. Toronto and East York Community Council designate an accessible loading zone to be in effect from 10:00 a.m. to 5:00 p.m., daily, on the west side of Delaware Avenue North, between a point 101 metres south of Davenport Road and a point 20.5 metres further south.
4. Toronto and East York Community Council authorize permit parking to be in effect from 12:01 a.m. to 7:00 a.m., daily, on the even (west) side of Delaware Avenue North from the first lane north of Geary Avenue to Davenport Road.
