RE: Addressing Traffic Concerns on Austin Terrace

Dear Chair and Members of Toronto and East York Community Council,

I am kindly asking for your support of my motion being moved on behalf of Transportation Services staff, to address traffic concerns that have resulted from a new sidewalk installation on Austin Terrace.

Summary

This motion is about a matter that Community Council has delegated authority from City Council to make a final decision.

Transportation Services is recommending to prohibit parking anytime on the north side of Austin Terrace between a point 64 metres west of Lyndhurst Avenue and a point 69 metres east of Lyndhurst Avenue and to prohibit parking anytime on the south side of Austin Terrace, between a point 74 metres east of Lyndhurst Court and a point 53 metres west of Lyndhurst Court.

Transportation Services recently constructed a sidewalk in the roadway to close a 20-metre gap in the sidewalk network. The sidewalk construction required narrowing the roadway. On-street parking must be prohibited on both sides of Austin Terrace adjacent to the new sidewalk to maintain two-way vehicular traffic.
