Comments:

The Beach and East Toronto Historical Society (TBETHS) wishes to express our full support for the listing of the ten properties located at the intersection of Main Street and Gerrard Street on the City of Toronto's Heritage Register, which is being considered as Agenda Item 2024.TE11.14, on the 21<sup>st</sup> of February 2024 meeting of the Toronto and East York Community Council. These properties, with their historical significance and architectural charm, as well as their historic role in defining the commercial and institutional core of the former municipality of East Toronto, are integral to preserving the cultural built heritage of Beaches East York.

We commend the efforts of Heritage Planning and city staff in identifying these properties for inclusion and urge the Toronto and East York Community Council to endorse the recommendation for the inclusion of these ten properties on the City of Toronto's Heritage Register.

Thank you for considering our input on this matter.  
Sincerely,

Jonathan Bradshaw  
President  
The Beach and East Toronto Historical Society (TBETHS)
