RE: Letter of Support for Official Plan and Zoning By-law Amendment Application  
10-22 Pauline Avenue

Dear Toronto East York Community Council,

**About More Neighbours**

More Neighbours Toronto is a volunteer-only organization of housing advocates that believe in building more homes of all kinds for those who dream of building their lives in Toronto. We advocate for reforms to increase the ability to build more homes in every neighbourhood. We are a big-tent organization with members across the political spectrum who are committed to counterbalancing the anti-housing agenda that both dominates Toronto's politics and has created increased costs and environmental burden for a new generation of aspiring residents.

**Position on Official Plan and Zoning Bylaw Amendment**

More Neighbours Toronto supports the proposed amendments to the Official Plan and Zoning By-law at this site. The application will provide 34 new homes, 33 of which are 2- or 3-bedrooms suitable for families. The site is well connected to transit (near to Dufferin Station) and near several amenities such as parks, libraries, and shopping.

We ask the Community Council to approve the proposed amendments.

Sincerely,

Alena Parkinson
