City Council directed the City Clerk to recruit and recommend candidates to the Civic Appointments Committee

The opportunity to join the Toronto Atmospheric Fund Board was posted on BoardShift (Civic Action), Charity Village, Volunteer Toronto, and the Chartered Financial Analyst (CFA) Society Toronto. It was also shared through the Institute of Corporate Directors (ICD), LinkedIn, X, and outreach via the Public Appointments e-update list and internal City partners.

In preparation for the recruitment process, Public Appointments staff consulted with the CEO of Toronto Atmospheric Fund. It was suggested that candidates with experience in finance, a CFA designation, knowledge of grantmaking, and fundraising would be assets to the board. Also highlighted was the need to reflect demographic and geographic diversity on the Toronto Atmospheric Fund Board, including representation of non-Toronto residents.

Staff from the City Clerk's Office and staff from Environment and Climate selected eight candidates for interview based on the City Council approved qualifications and eligibility criteria. Environment and Climate staff were asked to participate on the panel given their subject matter expertise in environmental policy and programs.

The panel consisted of:

- Project Manager, Public Appointments, City Clerk's Office
- Management Consultant, Environment & Climate

The panel determined the final candidates by weighing candidate applications and interview performance.
