LETTER OF INTENT
INTERIM ALTERNATE PROCESSES FOR CLAUSE 9.04

The parties agree that the following terms will apply January 1, 20205, until December 30, 20242028, unless terminated by either party in accordance with section 6 of this Letter of Intent. If the parties agree, the terms of this Letter of Intent may be extended by mutual agreement in writing.

1. In the event of an overpayment in an amount that exceeds one thousand dollars (\$1,000.00):
 - (a) The City shall advise the employee in writing of such overpayment and will outline the reason(s), the amount of the overpayment and the date(s) on which the overpayment occurred.
 - (b) In the event that the overpayment has been made to:
 - (i) an existing employee, the letter will ask the employee to contact the City within twenty (20) working days in order to establish a repayment schedule. The employee shall have the option of using his/her vacation or accumulated lieu time as part or all of the repayment schedule. The recovery schedule shall not exceed the maximum permitted by the Wages Act, R.S.O., 1990, as amended, unless the employee agrees otherwise;
 - (c) Should the employee disagree with the proposed recovery schedule, or fail to arrange repayment of the outstanding amount, the City shall meet with the employee to clarify the overpayment.
 - (d) The employee may be accompanied by a Union Representative should he/she so request. The letter will advise the employee that, if the employee does not respond within the time required, the City will invoke the adjudication procedure. The City shall send a copy of the letter to the Union within five (5) days with details of the amount claimed and (for existing employees) the City's repayment schedule or (for former employees) a request to pay the total amount outstanding.
 - (e) If there is no response to the letter, the City will make contact with the Arbitrator (from an agreed to list) to determine a suitable date for hearing. This will be done by email, with a copy to the Union's Recording Secretary and its contact person. The Union will be part of the process of setting a hearing date which will occur within the following thirty (30) working days.
 - (f) Once a hearing date is determined, the City will send the employee a letter, which gives notice of the hearing. The City sends a copy of this letter to the Union and to the Arbitrator. The copy to the Arbitrator should include details of the amount claimed by the City, and its proposed repayment schedule, if one is proposed by the City.
2. (a) The City will schedule a hearing for one employee per hour on the dates determined for hearing the overpayment claims. After hearing submissions from both the City and the Union, the Arbitrator will issue a brief decision, either orally or in writing, directing the repayment of any amount determined to have been an overpayment and the schedule, if any, pursuant to which such repayment is to be made. The Union and Management will

have no more than three (3) representatives at any hearing, inclusive of counsel or consultants.

- (b) The hearing referred to in 2(a) will consist solely of a review of the documentation that supports the City's overpayment claims. No witness shall be called at the hearing; the positions of the parties will be advanced through oral and/or written submissions. If either the City or the Union require a witness to testify, or wishes to raise a matter of principle (including, but not limited to, the impact on the obligation of an employee to repay a debt to the City when on WSIB or LTD benefits, or having exhausted sick leave), the hearing under 2(a) will be cancelled and the overpayment claim will be referred to the usual arbitration process.
3. Both parties are required to produce all documents and supporting information reasonably requested upon which they intend to rely no later than two (2) weeks prior to the date scheduled for the hearing.
4. If an employee does not arrive at the hearing at the appointed time, the matter will be stood down for half an hour in case of a late arrival, although during this time the City will explain the nature of the claim against the employee to the Union and the Arbitrator. The City will establish that it has complied with the notice requirements set out above and the amount that the employee is required to repay the City. If such liability is established, the Arbitrator will direct the employee to repay the overpayment to the City, in full, subject to any submissions made by the Union regarding a repayment schedule.
5. If the employee attends the hearing:
 - (a) The City will make its submissions, referring to those documents upon which it relies, and explain how it arrives at its claim for the overpayment. The City will also explain what repayment schedule, if any, it proposes.
 - (b) The Union may make such inquiries as it thinks necessary.
 - (c) At the close of the City's explanation, the Union will have an opportunity to meet with the employee.
 - (d) The hearing will reconvene and the Union and/or the employee will make such submissions as they wish to make. If the employee claims underpayment by the City, the Union will explain the nature of the claim and the City may make such inquiries as it thinks necessary.
 - (e) If liability is established, a repayment schedule will be determined.
 - (f) The award issued will provide for the full amount owing becoming immediately due and payable in the event of the default in any repayment schedule ordered. The award of the Arbitrator will be final and binding.
 - (g) The repayment schedule, if any, will be prepared and signed immediately after the hearing of each claim, and a copy of the repayment schedule will be given to the employee.
 - (h) It is understood that employees who attend the hearing during regular working hours will suffer no loss of wages.
 - (i) Notwithstanding (g) above, if an employee is able to provide objective evidence that there has been a substantial and material change in his/her financial situation that was unforeseen at the time of the original hearing, the employee may approach the Union with a view to requesting the Arbitrator to vary the schedule. In this event, the Union will in writing request the City to convene a hearing for the Arbitrator to consider the request.
6. Either party may terminate this Letter of Intent by providing the other with sixty (60) days' notice in writing. Following the delivery of such notice, clause 9.04 shall apply.

Before returning from a statutory leave, employees shall advise the City, through the request for work system by the applicable deadline, of their intention to return to the same shifts set out in the letter or if their preferences have changed. Where the employee's preferences have changed, they shall be treated in accordance with the Scheduling Procedure.

Following the delivery of such notice, there shall be no further disputes scheduled for Alternate Dispute Resolutions.
