Toronto Strategic Parking Framework - Accessibility Feedback

Committee Decision

The Toronto Accessibility Advisory Committee recommends that:

1. City Council request the General Manager, Transportation Services to:
 - a. implement additional accessible parking spaces by:
 - i. integrating accessible parking considerations into all analyses and decision-making related to the provision, removal, or reconfiguration of on-street parking spaces; and
 - ii. establishing guidelines to create a standardized minimum threshold - either a fixed number or percentage—of accessible parking spaces to be provided within any curbside parking zone.
 - b. present the guidelines to the Toronto Accessibility Advisory Committee at its December 11, 2025 meeting.

Decision Advice and Other Information

The Project Manager, Transportation Services gave a presentation on Toronto Strategic Parking Framework - Accessibility Feedback.

Summary

At its meeting on June 23, 2025, the Toronto Accessibility Advisory Committee considered Item [DI12.3](#) and made a recommendation to City Council.

Summary from the Toronto Accessibility Advisory Committee:

Michael Cude, Project Manager, and Naz Capano, Manager, Transportation Services will give a presentation on Toronto Strategic Parking Framework - Accessibility Feedback. The Strategic Parking Framework, [IE22.2](#), will act as a guide to current and future parking related projects.

The presentation will describe how the policies and directives of the project will improve parking management in the City of Toronto.
