COMMENTS

Composition of the Committee of Adjustment

The Committee of Adjustment consists of 35 members of the public organized into four panels corresponding to the Community Council boundaries as follows:

- Etobicoke York: 8 panel members;
- North York: 10 panel members;
- Scarborough: 5 panel members; and
- Toronto and East York: 12 panel members.

The applications heard by each panel correspond with the Community Council boundaries.

Under the Planning Act, members of each panel of the Committee of Adjustment elect their own Chair.

There are currently two positions under consideration

The two positions under considerations are the result of two resignations from the Toronto and East York Panel: J. Douglas B. Wilkins effective November 26, 2024, and Nazila Atarodi West effective May 23, 2025.

At its meeting on June 13, 2025, the Nominating Panel - Committee of Adjustment recommended two candidates for appointment. However, one candidate withdrew on June 23, 2025. As a result, the Nominating Panel will recommend one new candidate for appointment, for a total of two recommended public member appointees to City Council to the Committee of Adjustment.

Term of office

Under the Planning Act, the term of office for public members of the Committee of Adjustment is coincident with the term of the council that appointed them. The two appointees on the Toronto and East York panel will serve a term of office ending on November 14, 2026, and until successors are appointed.

Each public member who is not a chair will receive an annual stipend of \$1,500, pro-rated on an annual basis from the time of appointment. Chairs will receive an annual stipend of \$2,500, pro-rated on an annual basis from the time of appointment.
