

## **Supplementary Report: Transit Priority Measures to Support the 505 Dundas 6-Minute Network**

**Date:** December 12, 2025

**To:** City Council

**From:** Director, Congestion and Network Management, Transportation Services

**Wards:** 4 – Parkdale-High Park, 9 – Davenport, 10 – Spadina-Fort York, 13 – Toronto Centre

### **SUMMARY**

---

At its meeting on November 27, 2025, Toronto East York Community Council directed Transportation Services to report directly to the December 16, 2025 meeting of City Council on proposed transit priority measures on the south side of Dundas Street West between Dovercourt Road and Bay Street. Staff were also directed to engage with local Business Improvement Areas, resident associations, the friends of Trinity Bellwoods, and the Trinity Bellwoods Farmers Market to review opportunities to ensure accessibility and report back to Toronto and East York Community Council at a future date. Staff have revised the original proposed transit priority measures to include the new section of Dundas Street West as directed. Transportation Services is recommending that City Council adopt the recommendation in this supplementary report along with Recommendations 2 and 3 from Toronto and East York Community Council.

### **RECOMMENDATIONS**

---

The Director, Congestion and Network Management, Transportation Services recommends that:

1. City Council delete Toronto and East York Community Council Recommendation 1 and adopt instead the following new recommendation:
  - a. City Council authorise amendments to parking and traffic regulations as set out in Attachment 1 to the supplementary report (December 12, 2025) from the Director, Congestion and Network Management, Transportation Services, to take effect from January 1, 2026.

## **FINANCIAL IMPACT**

---

Transportation Services has consulted with Toronto Parking Authority (TPA), who assessed that the potential financial impact of lost revenue and operating expenses will be approximately \$506,000 in the first year and \$496,000 in subsequent years (HST excluded). The estimated cost to implement the curbside and turning regulations is \$156,000 (pre-HST), which will be funded from the TTC's 2025-2034 Capital Budget and Plan. These costs cover all amendments in Attachment 1 to the supplementary report (December 12, 2025).

## **DECISION HISTORY**

---

At its meeting on November 27, 2025, in considering "TE27.51 – Transit Priority Measures to Support the 505 Dundas 6-Minute Network", Toronto and East York Community Council directed the General Manager, Transportation Services, in consultation with the Chief Executive Officer, Toronto Transit Commission to report directly to the December 16, 2025 meeting of City Council on proposed transit priority measures on the south side of Dundas Street West between Dovercourt Road and Bay Street.

[Agenda Item History – 2025.TE27.51](#)

## **COMMENTS**

---

Based on direction from Toronto East York Community Council on November 27, 2025, Attachment 1 to this report has been revised to include the original proposed transit priority measures on Dundas Street as outlined within the report dated November 10, 2025, as well as additional proposed transit priority measures on the south side of Dundas Street West between Dovercourt Road and Bay Street, and the north side of Dundas Street West between Dovercourt Road and Ossington Avenue. Only the newly proposed transit priority measures will be detailed in this report, as the original transit priority measures have already been discussed in the report submitted on November 10, 2025.

### **Existing Road Conditions**

Conditions are described for the length of Dundas Street West associated with locations where new TPMs are being proposed, listed in Table 1. Three roadway characteristics are consistent along the corridor:

- The speed limit is 40 km/h;
- The road is 2 lanes per direction; and
- Streetcar tracks are present in the centre lane.

Table 1: Road Conditions for New TPM Locations

Street	Boundaries	Classification	Curbside Use
Dundas Street West	Dovercourt Road to Ossington Avenue	Minor Arterial	Curb parking allowed on both sides of the roadway subject to localized restrictions based on time-of-day. “No Stopping” restrictions cover the north side of the roadway during PM peak (3:30 p.m. to 6:30 p.m.) on weekdays and the south side of the roadway during the AM peak (7 a.m. to 9 a.m.) on weekdays.
Dundas Street West	Ossington Avenue to Augusta Avenue	Major Arterial	Curb parking allowed on both sides of the roadway subject to localized restrictions based on time-of-day. “No Stopping” restrictions cover the north side of the roadway during PM peak (3:30 p.m. to 6:30 p.m.) on weekdays and the south side of the roadway during the AM peak (7 a.m. to 9 a.m.) on weekdays.
Dundas Street West	McCaul Street to University Avenue	Major Arterial	“No Parking” restrictions cover both sides of the roadway at all times. “No Stopping” restrictions cover the north side of the roadway during PM peak (3:30 p.m. to 6:30 p.m.) on weekdays and the south side of the roadway during the AM peak (7:30 a.m. to 9:30 a.m.) on weekdays.

## Transit Priority Measures

The proposed transit priority measures (TPMs) were developed by focusing on parking and traffic regulatory prohibitions during the AM and PM peak periods on weekdays. These measures aim to improve the speed and reliability of the 505 Dundas streetcar in the peak periods.

## Stopping Restrictions

As noted in the November 10, 2025 report for TE25.71, the changes to curbside regulations target sections of Dundas Street West where there are ‘No Stopping’ restrictions in only one peak period from Monday to Friday, on each side of the street. In these sections, the curbside regulations will be updated so each side of the street has ‘No Stopping’ in both peak periods, from Monday to Friday.

The existing and proposed ‘No Stopping’ and ‘No Parking’ restrictions have been provided for the newly proposed TPMs in Table 2. Detailed changes to ‘No Stopping’ and ‘No Parking’ restrictions can be found in Attachment 1.

Table 2: Overview of Existing and Proposed ‘No Stopping’ and ‘No Parking’ Restrictions by Segment for Newly Proposed TPMs

Segment of Dundas Street West	Side of Street	Existing 'No Stopping' Restriction	Existing 'No Parking' Restriction	Proposed 'No Stopping' Restriction	Resulting 'No Parking' Restriction
Dovercourt Avenue to Ossington Avenue	North	3:30 p.m. to 6:30 p.m., Mon. to Fri.	None outside of 'No Stopping' hours.	7:00 a.m. to 9:00 a.m. and 3:30 p.m. to 6:30 p.m., Mon. to Fri.	None outside of 'No Stopping' hours.
	South	7:00 a.m. to 9:00 a.m., Mon. to Fri.	None outside of 'No Stopping' hours.	7:00 a.m. to 9:00 a.m. and 3:30 p.m. to 6:30 p.m., Mon. to Fri.	None outside of 'No Stopping' hours.
Ossington Avenue to Augusta Avenue	North	3:30 p.m. to 6:30 p.m., Mon. to Fri.	None outside of 'No Stopping' hours.	No change.	None outside of 'No Stopping' hours.
	South	7:00 a.m. to 9:00 a.m., Mon. to Fri.	None outside of 'No Stopping' hours.	7:00 a.m. to 9:00 a.m. and 3:30 p.m. to 6:30 p.m., Mon. to Fri.	None outside of 'No Stopping' hours.
McCaul Street to University Avenue	North	3:30 p.m. to 6:30 p.m., Mon. to Fri.	Anytime.	No change.	Anytime.
	South	7:30 a.m. to 9:30 a.m., Mon. to Fri.	Anytime.	7:30 a.m. to 9:30 a.m. and 3:30 p.m. to 6:30 p.m., Mon. to Fri.	Anytime.

## Turning Restrictions

The newly proposed turning restrictions are listed in Table 3 alongside their existing restrictions.

Table 3: Existing and Proposed Hours for Newly Proposed Turn Restrictions

Intersection	Direction & Turn	Existing Turn Restriction	Proposed Turn Restriction
Dundas Street West & University Avenue	Eastbound Left-turn	7:30 a.m. to 6:30 p.m., Mon. to Sat.	7:00 a.m. to 7:00 p.m., Mon. to Sat.
	Westbound Left-Turn	7:30 a.m. to 6:30 p.m., Mon. to Sat.	7:00 a.m. to 7:00 p.m., Mon. to Sat.

The existing turning volumes were reviewed, and the proposed restrictions are anticipated to have minimal impact on personal vehicle trips and the surrounding road network due to the short additional duration added.

## Consultation

TTC continues to consult on the project, including with the local Councillors, Deputy Mayor, and BIAs on the new TPMs proposed in this report. For local residents and businesses, mailers will be sent out to communicate the changes to the parking restrictions along Dundas Street. As directed by Toronto and East York Community Council on November 27, 2025, staff will continue to engage with resident associations, the Friends of Trinity Bellwoods, and the Trinity Bellwoods Farmers Market to review opportunities to ensure accessibility, with findings to be reported back to Toronto and East York Community Council in Q2 2026.

## Monitoring

The same monitoring methodologies outlined in the November 10, 2025 report for TE27.51 applies to the newly proposed TPMs outlined in this report. As directed by Toronto and East York Community Council, on November 27, 2025, staff will report on the performance of the TPMs at TEYCC on May 28, 2026.

## Next Steps

The target schedule for key milestones outlined in the following table.

Milestone	Target Date
Consultation with Councillors, local businesses, and public	July 2025 – On-going
Council Approval	December 2025
Implementation of TPMs	January 2026
Report back to TEYCC (Ward 10 TPMs)	Q2 2026
Report back to TEYCC (all TPMs)	May 28, 2026
