Comments:

There is absolutely no community benefit to the Therme Spa. An entire forest was destroyed, and a coyote den was paved over. A family of coyotes was traumatized and moved into Liberty Village. Added garbage poorly disposed of attracted rats, which lead to people leaving rodenticides, which weakened the coyotes, causing them to have mange, which lead to people feeding the coyotes. The coyotes attacked small dogs and were shot in the middle of the night by Johnny the Critter Gitter. This is a cruel practice that will continue if you allow the Therme Spa. A spa will no doubt have rodenticides around it. Please demand this area be rewilded and rezoned as a park. A park will definitely benefit everyone. Anyone can afford a park. Not everyone can afford a spa.
