To the City Clerk:

Please add my comments to the agenda for the May 21, 2025 City Council meeting on item 2025.CC30.4, Status Update on City Activities Related to the Therme Spa Project

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Comments:

Please do not allow this Therme spa! Coyotes lost their home and, instead of coexisting, Toronto hired Johnny the Critter Gitter to shoot them! This Therme spa will pollute the environment, make the area even busier, and provide more attractants to create more wildlife conflicts and more shootings. This area needs to be rewilded back into a park.
