Re: PH26.4 - Housing Action Plan: Avenues Policy Review Phase Two: Initial Study of Wards 9 and 11
(Ward 9, 11 - Statutory: Planning Act, RSO 1990)

Please be advised that the Grange Community Association does not support the proposal to redesignate and rezone school sites in Wards 9 and 11.

We support the position taken by FoSTRA and other residents organizations objecting recommendation on page 14 of the staff report to redesignate school sites as Apartment Neighbourhoods. We support the retention of the Neighbourhood designation.

The rationale for this position is fully outlined in the letter submitted by FoSTRA and others.

Respectfully,
