

Toronto Accessibility Advisory Committee Input on the City's Winter Maintenance Program Review

Date: June 20, 2025

To: Toronto Accessibility Advisory Committee

From: Deputy City Manager, Infrastructure Services

Wards: All

SUMMARY

The purpose of this report is to provide an opportunity for the consultant, Municipal VU Consulting Inc. (MVU), to gather direct input from the Toronto Accessibility Advisory Committee on the City's winter maintenance program.

RECOMMENDATIONS

The Deputy City Manager recommends that the Toronto Accessibility Advisory Committee receive this report for information.

FINANCIAL IMPACT

There are no financial impacts resulting from the recommendation in this report.

DECISION HISTORY

At its meeting on June 11, 2025, the Infrastructure and Environment Committee considered item IE22.12 - Accessibility and Snow Clearing. The committee referred the item to the City Manager for inclusion in the review of the City's Winter Maintenance Operations. [Agenda Item History - 2025.IE22.12](#)

At its meeting on March 26 and 27, 2025, City Council considered item EX21.1 - Review of Toronto's Winter Maintenance Program. Council adopted the item with amendments and directed the City Manager to conduct a full review of winter maintenance operations. [Agenda Item History - 2025.EX21.1](#)

COMMENTS

As part of City Council's direction to review Toronto's response to the February 2025 winter storms, the City Manager has engaged Municipal VU Consulting Inc. (MVU) to conduct an independent, expert-led assessment of the City's winter maintenance program.

As part of the process of gathering stakeholder insights into the winter maintenance program review, MVU would like to gather direct input from the Toronto Accessibility Advisory Committee.
