Amendments to Chapter 441, Fees and Charges – Outdoor Oven Permit Fees

Toronto City Council will be considering amendments to Toronto Municipal Code Chapter 441, Fees and Charges, Appendix E, Schedule 1, to amend the existing permit fee for outdoor oven bookings in parks for the resident/not-for-profit user category.

It is proposed that the amendments be adopted at the City Council meeting to be held on April 23, 24 and 25, 2025. If approved by City Council, this will:

- Amend Toronto Municipal Code Chapter 441, Fees and Charges, Appendix E, Schedule 1, to remove the existing outdoor oven permit fee for the resident/not-for-profit user category and replace it with a fee of \$0, effective April 30, 2025.
- Align outdoor oven permit fees with the City's commitment to reducing financial barriers for community use of park spaces.
- Maintain existing health and safety requirements for outdoor oven use, including insurance, oven operation training, and compliance with food safety regulations.

The proposed amendments are outlined in the report titled "Access to Outdoor Ovens in Toronto Parks." To view or obtain a copy of the report, visit the City's website at:
