**RE: EC25.4 - Mount Dennis Community For All Action Plan**

Dear Economic and Community Development Committee,

The Mount Dennis Business Improvement Area (MDBIA) is pleased to express its support for EC25.4 - Mount Dennis Community For All Action Plan considered on Dec. 2, 2025

The BIA believes the recommendations outlined in the motion are important steps to ensure that the Mount Dennis community thrives in the face of the coming intensification from the new transit infrastructure and its related developments.

The BIA supports this intensification of our community and believes that this will provide tremendous economic benefit in the future. The BIA also believes that this can be accomplished while protecting its vulnerable community members and businesses and preserving its neighbourhood character through initiatives like the Mount Dennis For All Action plan.

We respectfully request you approve this motion and have it pass to City Council for consideration on Dec. 16, 17, and 18

Yours truly,
