**To the Economic and community development committee:**

I am writing to express my support for EC 25.11, the Report from the General Manager, Economic Development and Culture, recommending that Seaton Park be added to the abutting Bloor Annex Business Improvement Area under the City of Toronto Municipal Code Chapter 19, Business Improvement Areas.

Seaton Park has long functioned as an integral part of the Bloor Annex Business Improvement Area, located as it is between the Hot Docs cinema and the Bathurst subway station. Adding this small park to the group of neighbourhood parkettes that are managed and maintained primarily by the BIA has led to a significant improvement in neighbourhood cleanliness and the appeal of the area to residents, tourists, and other visitors.

Sincerely,

**Councillor Dianne Saxe**
