Dear Councillor Saxe,

**RE: Bloor Annex BIA/ Seaton Park**

We understand that the Bloor Annex BIA is willing to take Seaton Park under its wing but cannot proceed because the park is not currently considered part of this BIA. To incorporate the park into the BIA's mandate, the BIA boundaries must be changed. The ARA supports this change and the inclusion of the park in the BIA's district.

Seaton Park is located just north of Bloor Street; it benefits the Bloor Annex BIA, and many patrons from the businesses in that segment of Bloor visit Seaton Park. The ARA also understands that while the community wishes to improve the park, they lack the necessary support from the local BIA due to the boundary issue. By including this park in the BIA's district, we hope it can receive the required financial assistance and oversight provided by the BIA, thereby accelerating improvements that will enhance the park's benefits to the community, BIA patrons, and the BIA itself.

Yours sincerely,

Rita Bilerman  
Chair, Annex Residents' Association
