Re: Economic and Community Development Committee: Item EC 25.4 – Mount Dennis Community For All Action Plan

Members of the Economic and Community Development Committee:

As the Chair of the Mount Dennis Community Association, I am writing to support the adoption of the groundbreaking report and recommendations in the Mount Dennis Community for All Action Plan.

The Mount Dennis Community Association was pleased to be an active participant in the April 4, 2026, community tour and the April 5, 2025, Mount Dennis People's Summit. These were powerful community activities and provided excellent forums for community voices to be heard.

Congratulations to the Learning Enrichment Foundation, Untitled Planning, the People's Summit Advisory Committee and the city officials who have worked so hard since April to bring this report forward for City Council's approval.

As an organization, the Mount Dennis Community Association stands ready to help implement the key recommendations of this important report. I urge all members of City Council to approve the report and recommendations with a unanimous vote of support.

Yours truly,

Mike Mattos
Chair, Mount Dennis Community Association (MDCA)
