EXcellence in Action

Kait Farrar, Event & Meeting Coordinator, received the following feedback from CP24/Bell Media; “Thank you Kait!! Always a pleasure working with you and your team as well! We appreciate that you were always available to us when we had questions or issues throughout the set up and production. I will add some notes below:

- IATSE Crew were fantastic, may have been one of the best crews we have had in years! We saw them refilling coolers and helping wherever they could, fantastic.
- Ron the forklift driver was very helpful getting our tent blocks installed carefully even after we had cable laid in, he took the time and care to make sure we had what we needed to get this done quickly and safely.”

Cheryl Williams, Event & Meeting Coordinator, and Chris Foley, Production Coordinator, received the following feedback after the TD 3rd Annual Black Experiences Gala, which was held at the Automotive Building on September 13, 2025; “On behalf of the committee, we want to extend our heartfelt thanks to each of you for helping make this event such a success. Cheryl – thank you for being there with us on site and lending your support in so many ways, especially with the decorations and setup. Your effort, presence, and care made a real difference in creating the atmosphere we envisioned. Chris - thank you for bringing our vision to life. Sound was a major success for us from last year, and happy to say that we most definitely were able to correct that this year. Thank you for hearing us and for making the necessary upgrades to ensure that the night was perfectly crafted so that our attendees could hear and feel the rhythm! Together, you made the night not only possible but memorable. We are truly grateful for your hard work, patience, and enthusiasm.”
