RE: Report from the Mayor's Designate to the Sao Paulo Urban Summit & Urban 20 Rio Summit

Dear Mayor Chow and Members of Executive Committee,

In 2024, I attended the São Paulo Urban Summit in São Paulo, Brazil and U20 Summit in Rio de Janeiro, Brazil as the Mayor's designate—representing the City of Toronto in these key international engagements for municipalities.

My travel included participation with activities organized by Metropolis, ICLEI-Local Governments for Sustainability, and U20, including participation in policy forums, panels, sessions, site visits, and several bilateral meetings.

Attached to this letter, you can find a copy of my report, program for the São Paulo Urban Summit, program for the U20 Summit, and a copy of the final U20 communique for 2024.

RECOMMENDATIONS

1. City Council receive the report from Councillor Alejandra Bravo in Attachment 1 for information.

Sincerely,

Councillor Alejandra Bravo
