AGO-0003	Accountability Records – Auditor General's Office – Auditor	AGO	т	10	T + 10	D	Comments:
	Records relating to Auditor General Office's process to follow-up on the implementation of recommendations made in Auditor General reports and conducted under the Auditor General's mandate for assisting City Council in holding itself and city administrators accountable for the quality of stewardship over public funds and for achievement of value for money in city operations, as set out in the City of Toronto Act. May include information obtained as copies from the books, accounts, financial records, electronic data processing records, reports, files and all other papers, things or property belonging to or used by the City, local boards (restricted definition), city-controlled corporations or the grant recipients, as the case may be, that the Auditor General believes to be necessary to perform his or her duties under Part V of the City of Toronto Act. Documents and other records include reports, correspondence, evidence providing a reasonable basis to support findings and conclusions about management assertions about the implementation status of recommendations for Auditor General reports and/or other records to demonstrate compliance with government auditing standards.						Legislation/Regulation:  Toronto Municipal Code, Chapter 3, Accountability Officers  Protection of Accountability Officers' Information Directive  City of Toronto Act, Part V, Accountability and Transparency  Memorandum of Understanding: Four Accountability Offices
