Proposed Amendments to the City of Toronto Municipal Code for increases to the Solid Waste Management Services (SWMS) rates and fees.

Notice is hereby given that City officials are recommending to Toronto City Council the enactment of a by-law, effective January 1, 2026, amending the City of Toronto Municipal Code Chapter 441, Fees and Charges, and any other necessary Municipal Code Chapters as may be required to increase the SWMS rates and fees by customer group as follows:

- 3.75 percent rate increase for all Single Family Residential and Residential Units Above Commercial (RUAC) properties.
- 3.75 percent rate increase for properties that receive Multi-Residential Front-End Container and Multi-Residential Curbside collection services.
- 3.75 percent increase for bag tags and bin purchases.
- 3.75 percent increase for Commercial, City Divisions, Agencies, Corporations and Schools.

City officials are recommending the adoption of the proposed 2026 interim Solid Waste Management Services rates and fees, effective January 1, 2026, in advance of the 2026 Rate and Tax Supported Operating and Capital Budgets. These interim rates may be amended by City Council when the 2026 Rate Supported Operating and Capital Budgets are considered.

The particulars of the proposed interim 2026 Solid Waste Management Services rates and fees are set out in the report to the Executive Committee of Toronto City Council from the Chief Financial Officer and Treasurer and the General Manager, Solid Waste Management Services titled "2026 Interim Solid Waste Management Services Rates and Fees" which can be found online at toronto.ca/council. The recommended interim increases in the Solid Waste Management Services 2026 rates and fees, effective January 1, 2026, are also attached to this notice.

The interim Solid Waste Management Services rate and fee increase of 3.75 percent for 2026 is recommended to maintain all current service levels and allocate sufficient funds to the Waste Management Reserve Fund to finance future capital needs.
