

DEPUTATION – EX 20.13 Charter City

January 28, 2025

Dear Mayor and Councillors,

Thank you for the opportunity to speak. I'm speaking both as a resident of Toronto St. Paul's and as Co-Chair of ClimateFast, a community group advocating for climate action – fast – since 2012.

This motion requests the City Manager to establish a Program Advisory Body that would serve as a task force on Municipal Autonomy and Effective Local Governance that would include local advocates and governance experts.

We support this motion for the reasons given by the Charter City movement. Toronto needs to have more autonomy over our governance and our future.

Sincerely,

Lyn Adamson
