To the City Clerk:

Please add my comments to the agenda for the November 4, 2025 Executive Committee meeting on item 2025.EX27.1, Impacts of Provincial Legislation that Weakens Rental Protections

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Comments:

Dixon Hall stands in solidarity with Mayor Chow and the City of Toronto in challenging Bill 60, and its impact on tenant protections. Every day, we see how affordable and stable housing helps people build better lives and stronger communities. Weakening these protections will make it extremely difficult for many Torontonians to stay housed and thrive. We fully support the City's efforts to pursue all possible actions to defend tenants' rights and preserve affordable housing across our city.
