From: Director, Traffic Management, Transportation Services
Re: Photography Drive - Parking Amendment – Motion Memorandum
Wards: Ward 5 – York South-Weston

Transportation Services has been requested by the Ward 5 Councillor to provide recommended wording for recommendations they plan to present in a motion to the July 3rd, 2025 Etobicoke York Community Council meeting. Staff request that this memorandum accompany the member's submission.

Summary

- Staff **support** the draft recommendations provided below
- Staff **do not support** the draft recommendations provided below
- Staff do not have sufficient data and/or time to determine if the draft recommendations provided below can be supported by staff, at this time.

Draft Recommendations

1. *Etobicoke York Community Council prohibit stopping at all times on both sides of Photography Drive, between Black Creek Drive and a point 310 metres northwest.*

The Councillor's office had requested that the installation of a no stopping anytime prohibition be installed on both sides of Photography Drive, between Black Creek Drive and a point 310 metres northwest to help improve the flow of two-way traffic and discourage long term on-street parking.

Cost

Staff have not been able to develop engineering estimates for this work but based on previous experience and similar work in the past, we expect the costs associated with approving the draft recommendations below will be approximately \$750. As this work was not anticipated, it has not been specifically included in any approved budgets. Completion of the work would be subject to availability and competing priorities within future Transportation Services Operating Budget, unless a specific funding source is identified by the Councillor and approved by Etobicoke York Community Council.
