### **COMMENTS**

---

The Ward Councillor, on behalf of area residents, requested that parking be prohibited from 8:00 a.m. to 5:00 p.m., Monday to Friday, on the east side of Milton Street,

between The Queensway and Dalesford Road, as a result of vehicles parking on both sides of the roadway creating congestion and impeding two-way traffic.

## **Existing Conditions**

Milton Street is characterized by the following conditions:

- It is a two-lane, north-south, local roadway
- It operates two-way traffic on a pavement width of approximately 6.5 metres
- The speed limit is 30 km/h
- Heavy trucks are prohibited at all times
- There is no TTC service provided
- There are no sidewalks located on the street

The unsigned statutory three-hour maximum parking limit is in effect at all times on both sides of Milton Street.

## **Proposed Changes**

Parking is currently allowed on both sides of Milton Street, subject to the unsigned three-hour maximum regulation. The proposed parking regulation will prohibit daytime parking on the east side, allowing for two-way traffic to be maintained. The proposed prohibition will result in a loss of approximately seventeen parking spaces.

A map of the area and proposed parking amendment is included in Attachment 1.

The Ward Councillor has been advised of the recommendation of this staff report.
