Re: Traffic Calming – Grovedale Avenue, between Erie Street and Blue Springs Road

SUMMARY:

The residents of Grovedale Avenue, between Erie Street and Blue Springs Road, submitted a petition to my office requesting the installation of speed humps. Following this, my office conducted an internal poll, in which residents voted overwhelmingly in favor of the installation, with a result of 22–4. The proposed traffic calming (Speed Humps) measures will improve safety and promote the orderly flow of traffic for the community.

RECOMMENDATION:

1. Authorized the installation of traffic calming (speed humps) on Grovedale Avenue between Blue Springs Road and Erie Street.
2. Directed the City Solicitor to prepare a By-law to alter the roadway to install seven speed humps on Grovedale Avenue between Blue Springs Road and Erie Street, generally as shown on attached Drawing No. ATP-SH-120 and Drawing No. ATP-SH-121 dated August 2025.
