Re: Parking Regulation Changes – Weston Road from King Street to Denison Avenue (West/East)

SUMMARY:

The City has received complaints from the community regarding inconsistencies in the rush hour parking regulations along Weston Road between King Street and Denison Avenue (East/West). In order to address these concerns, Transportation Services is proposing to implement consistent rush hour parking regulations along this corridor.

It is recommended that “No Parking” regulations be applied from 7:00 a.m. to 9:00 a.m. and 4:00 p.m. to 6:00 p.m., Monday to Friday, on both sides of Weston Road from King Street to Denison Avenue (West/East).

These changes will ensure consistency in the rush hour regulations along Weston Road, improve traffic flow and operations during peak periods, and enhance overall road safety and mobility within the corridor.
