The Ward Councillor received complaints from the community regarding the inconsistency of the rush hour routes on Weston Road between Lawrence Avenue West and Church Street. In order to address the concerns, applying the No Parking 7:00 a.m. to 9:00 a.m. and 4:00 p.m. to 6:00 p.m., Monday to Friday regulations during rush hour peak periods on both sides of Weston Road will ensure consistency along the corridor as well as benefit operations and traffic flow during those peak times.

Completion of the work would be subject to availability and competing priorities within future Transportation Services Operating Budgets, unless a specific funding source is identified by the Councillor and approved by City Council.
