Re: Parking Restrictions on Vanhill Ave

To the Chair and Members of Etobicoke York Community Council:

BACKGROUND:

Excessive parking on the north side of Vanhill Avenue, just west of Islington Avenue has been causing issues near the intersection. Nearby businesses are finding entering and exiting nearby driveways to be unsafe due to the number of parked vehicles. As a result, I am requesting that parking be prohibited at all times in this area.

RECOMMENDATIONS:

1. Etobicoke York Community Council prohibit parking at all times on the north side of Vanhill Avenue, between Islington Avenue and a point 33 metres west.

Sincerely,

Anthony Perruzza
City of Toronto Councillor
Ward 7, Humber River - Black Creek
