Re: Vanhill Avenue, Parking Regulation Amendment – Motion Memorandum
Wards: Ward 7, Humber River – Black Creek

Transportation Services has been requested by a local councillor to provide recommended wording for recommendations they plan to present in a motion to Etobicoke York Community Council. Staff request that this memorandum accompany the member's submission.

Summary

- X Staff **support** the draft recommendations provided below
- Staff **do not support** the draft recommendations provided below
- Staff do not have sufficient data and/or time to determine if the draft recommendations provided below can be supported by staff, at this time.

Draft Recommendations

1. Etobicoke York Community Council prohibit parking at all times on the north side of Vanhill Avenue, between Islington Avenue and a point 33 metres west.

The Councillor's office requested a that parking be prohibited at all times on the north side of Vanhill Avenue, immediately west of Islington Avenue due to excessive parking taking place in this area, creating congestions in the area of the intersection. Transportation Services has no concerns with the proposed parking regulation and can support the change.

Cost

Staff have not been able to develop engineering estimates for this work but based on previous experience and similar work in the past, we expect the costs associated with approving the draft recommendations below will be approximately \$500.00. As this this work was not anticipated, it has not been specifically included in any approved budgets. Completion of the work would be subject to availability and competing priorities within future Transportation Services Operating unless a specific funding source is identified by the councillor and approved by Etobicoke York Community Council.
