Dear Members of Etobicoke York Community Council:

**Re: 2025.EY23.15  
Assumption of Services  
3035 Weston Road - Registered Plan 66M-2503**

We are counsel to Damaris Development Inc., which developed a subdivision on the lands municipally known in 2011 as 3035 Weston Road, now registered Plan of Subdivision 66M-2503.

The Acting Director, Engineering Review, Development Review recommends City Council assume the municipal services relating to Plan of Subdivision 66M-2503. The matter is uncontested, and, of course, our client supports the recommendations. However, we will be in attendance at the Community Council meeting should any questions arise during Community Council's consideration of the recommendations before it.

Kind regards,  
**DAVIES HOWE LLP**

Michael Cook
