**RE: Requesting Update on Rejoining the Association française des municipalités de l'Ontario**

Dear Members of the Toronto Francophone Affairs Advisory Committee,

In our review of the Item FA4.2 on our agenda, we believe that the City of Toronto joining with other municipalities will be a key part of advocating for improved funding from the provincial government for improved municipally delivered French services.

In 2021, City Council directed the City Manager to join the Association française des municipalités de l'Ontario (AFMO) ([EX22.12](#)). This motion seeks an update from the City Manager's Office on the status of this work.

**RECOMMENDATIONS**

That the Toronto Francophone Affairs Advisory Committee request that the Economic and Community Development Committee:

1. Request the City Manager to report back to the Toronto Francophone Affairs Advisory Committee by the end of 2025 on the status of the City of Toronto rejoining the Association française des municipalités de l'Ontario as previously directed in 2021.EX22.12, in consideration of AFMO's role in advocating for improved provincial funding for municipally-delivered French services.

Sincerely,

Councillor Alejandra Bravo, Chair  
Toronto Francophone Affairs Advisory Committee

Christine Michaud, Vice Chair  
Toronto Francophone Affairs Advisory Committee
